

For You?

Here is a question I am often asked:

“Do you think I should take first year Samuel’s Mantle?”

A good question... but it is the statement that often follows that always surprises me...the statement is usually something like, **“I mean, I don’t hear God and I wouldn’t consider myself prophetic.”**

I have often pondered why this question is followed by such a statement...Why would anyone think about taking a prophetic course if they don’t consider themselves prophetic? That would be like asking, “Do you think I could go snowboarding?” followed by a statement something like, “But I have never seen snow...”

The answer kind of caught me off guard because it is quite simple: for the person longing to snowboard (or ski) there is a dream of snow that pulls them up a mountain to experience something deep inside they long to do.

It's the longing inside,

trying to find some way to express itself that causes the question, “Do you think I could go snowboarding?” to be asked. The dream of wanting to hear God speak and finding a way to do it is just like that...a longing in the heart looking for expression.

Do you have a similar dream when it comes to hearing God speak and learning how God walks among us?

Do you have such a desire to hear the voice of God?

If you have the desire then you are just looking for a way to hear your Father speak. Therefore, Samuel’s Mantle (or a course like it) is for you, just as much as learning to snowboard is for someone who longs to be on the mountains in snow!

How do I know this desire is from God?

Let me ask you a question!...Are you a Christian? If the answer to that is yes and you desire to meet God more intimately and hear his voice, then this course is for you! How do I know?...

I know what the bible says:

This is what was spoken by the prophet Joel: "In the last days, God says, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams. Even on my servants, both men and women, I will pour out my Spirit in those days, and they will prophesy. - Acts 2:17-18

“It made me aware of a whole new dimension of communication that the Lord desires to use in speaking to us.

The importance of intimacy with our Heavenly Father and how He invites, longs for, desires, and welcomes us as His children to hang out with Him.” - Dwight

“I spent many years curious about my dreams and many other things that occurred in my life.

It wasn't until Murray teachings that it opened up my reality to what God has been doing in my life all along....
it clicked!

I highly recommend Samuel's Mantle if you want to grow and know the Father more intimately.”

-Francesca

Sons and daughters, men and women can prophecy because of the outpouring of the Holy Spirit and if you fit either of the above categories, (son or daughter or man or woman) and I am sure that you do...you qualify to prophecy.

Let's look at one more verse:

But if an unbeliever or someone who does not understand comes in while everybody is prophesying, he will be convinced by all that he is a sinner and will be judged by all, and the secrets of his heart will be laid bare. So he will fall down and worship God, exclaiming, "God is really among you!"
-1 Corinthians 14:24-25

Would you fit under the category of 'everybody,' or the 'all,' of this passage? Of course you do, so therefore you can prophecy!

Now let me ask you another question...

What burns in your heart for the kingdom of God, right now?

Evangelists want to see people saved.

Teachers want to see people trained and equipped.

Pastors long to see people cared for, and...

Prophetic people have a longing to hear God speak (or to see vision or sense and feel depending on your gift mix) and be with Him...

Which one are you?

Has God put such a hunger in you to hear Him?
Then this course is for you!

Prophecy is simply learning how to hear God speak and giving it away...

Do you have a desire to hear God speak? If you have the hunger, it is by the Holy Spirit calling out that you learn to hear...then this course, or one like it, is for you as the desire itself is God speaking and you are only trying to figure out the best way to respond to it!!

We, then present [Samuel's Mantle Online](#) to you as an opportunity to connect with biblical teaching and equipping, and a community of aspiring prophetic people on a journey just like you, to learn how to interact with God...and give it away.

Be blessed on your journey,
Murray Dueck, c 2007

"Samuel's Mantle would really benefit those longing and thirsting for MORE of Jesus.

It is really not the teachings that impart the Life, but the "lifestyle" of walking and listening to Jesus that Murray models, that brings the change in your life.

It is a wonderful environment where everyone comes and lays down their past experiences and knowledge and just draws in to Jesus, with tremendous respect and love for one another."
